

BL4-SFM55-TL LED CEILING LIGHT

Catalog #		Prepared by	LiteHarbor
Project		Date	
Notes			

5 Inch Square Shape Edgeless Flush Mounted LED Ceiling Light

Description

An architecturally pleasing, easy to install and low profile slim LED instant mount round and square aperture downlighting. Slim line, light weight and sleek look, provides more uniform light and an instant on. It is a low profile downlight intended for ceiling or wall mounted applications. This luminaire offers the appearance of a recessed downlight but is actually surface mounted.

Features

- Edgeless for a minimal aesthetic that blends seamlessly into the ceiling.
- Premier quality light engine: produces up to 1000 lumens of exceptional light.
- Decorative flush mounted LED fixture.
- Dimming: Non-dimming/TRIAC Dimming.
- Mounts directly to 3" and 4" junction boxes.
- 5 "outside diameter, larger than most products of the same size, can perfectly cover the mark left by the old lamps in the ceiling when the lamps are updated.
- Easy to install.

Specification

Lamp Body: Made of die casting aluminum, the material is light and has good heat dissipation performance.

Light Source: Use big brand highlight lamp beads, 80+/90+ CRI and multiple CCT(3000K、4000K、5000K、6500K) are optional.
